STAFF RECOMMENDATION: APPROVE MINUTES

## SPECIAL MEETING OF THE BOARD OF DIRECTORS

Thursday, March 31, 2022 4:00 p.m. MBTA Operations Center 62405 Verbena Road Joshua Tree, CA 92252

#### **ACTION MINUTES**

**1.0 CALL TO ORDER** – Chair Abel called the meeting to order at 4:00 p.m.

#### PLEDGE OF ALLEGIANCE

**ROLL CALL** - On call of the roll the following Board Members were present: Jeff Drozd, Danielle Harrington, Ellen Jackman, Ben Sasnett, McArthur Wright, and Merl Abel. Karmolette O'Gilvie joined via zoom.

#### 2.0 PUBLIC COMMENTS

**NONE** 

#### 3.0 NEW BUSINESS

#### 3.1 Rebranding MBTA

Selena Barlow with Transit Marketing gave a presentation and opened discussions. The Board of Directors narrowed it down to three (3) options with various modifications to each one. The three (3) concepts moving forward were a sunset, a road and a lizard.

The consensus was that the font would be evenly spaced with all capital letters, and the word "Basin" should be bolder than the word "Transit" below it.

#### 12.0 ADJOURNMENT

The meeting adjourned at 5:02 p.m. Thursday, March 31, 2022.

Respectfully submitted,

RE:

Financial Report

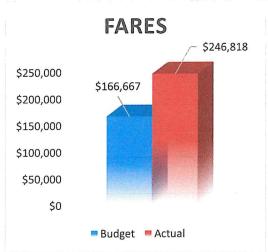

Staff recently received \$112,118 from requesting an Alternative Fuel Credit with the IRS. This fuel credit was to claim a refund of excise taxes for Compressed Natural Gas (CNG) used at a rate of .50 per gallon in 2021.

At the conclusion of April, MBTA expenses were \$246,794 (7%) below budget.

MBTA's operating revenues were ahead of budget. I am happy to report that year-to-date, we received \$246,818 in passenger fares which exceed the \$200,000 we budgeted for the entire year!

CNG fuel sold was \$25,110 (172%) ahead of budget. Passenger Fares were \$80,151 (48%) ahead of budget.

**STAFF RECOMMENDATION: RECEIVE AND FILE**

RE: General Manager's Report

STAFF RECOMMENDATION: RECEIVE AND FILE

## General Manager's Report

May 19, 2022

#### **ACTIVITIES**

- ✓ The California Highway Patrol was onsite to conduct its annual terminal inspection. This inspection consisted of sampling the condition of the bus's safety adherence, maintenance records, an inspection of coach operator's records, drug & alcohol records and hours of service compliance. At the conclusion of the inspection, the inspector issued the agency a satisfactory rating. Receiving a satisfactory rating is an accomplishment to be proud of and gives the public a renewed sense of confidence that MBTA is focused on safety and compliance.
- ✓ Joe Meer & I met with A-Z Bus Sales to discuss how they could appease MBTA with the upcoming increases in pricing and the shortage of chassis and microchips.

#### **MARKETING & OUTREACH**

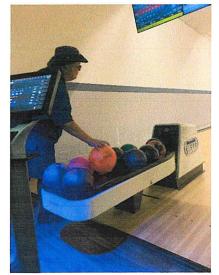

- ✓ Staff attended the Morongo Basin Regional Council on Aging "In the know" panel on March 24, 2022 at the Yucca Valley Community Center.
- ✓ On May 7, 2022, staff attended the Morongo Basin Community Health & Resource Fair to provide information on MBTA services.

#### **EMPLOYEES**

✓ Fleet Maintenance Specialists began our Maintenance Audit to determine if we have enough mechanics for our services and if the maintenance department is running 100% efficiently.

✓ MBTA joined a Bowling League with five (5) employees on our team, named "Basin

Transit Bowlers". Several employees even showed up to the game to support our team.

#### **PROCUREMENT**

Assignments and sales are mostly on hiatus as cost analysis for Force majeure adjustments are still underway. However, the following agencies were assigned authorization to purchase vehicles: City of Claremont, Fresno County, City of Pasadena, Mountain Transit, San Mateo County, Lake Transit, City of Vacaville, City of Santa Clarita.

Proposals were received for the first phase of Electric vehicles on May 13<sup>th</sup>. Quite a few responses were delivered which will have staff very engaged over the next several months evaluating and bringing the successful awards to the board for these. We anticipate bringing these to the board for approval sometime in the summer.

# General Manager's Report April 25, 2022

#### CAPITAL PROJECTS

✓ Purchased the first Ford E-Transit ADA Van in the Nation! Ford's West Coast Fleet Director, Chris Eldridge, handed the keys over to Joe. This van will pilot on Route 30, one of our Ready Ride routes in Yucca Valley with chargers being installed at the Yucca Valley Transit Center and the Joshua Tree facility.

- ✓ The bus stop at Adobe & Raymond (Northbound) was completed, making it ADA compliant.
- ✓ The roadway leading to Hwy 62 and the parking lot was resurfaced.
- ✓ Began the facility facelift using State of Good Repair (SGR) funds to update the conference room. The next phase will be repairing and repainting the exterior stucco.

#### **MARKETING & OUTREACH**

We received 7 service suggestions and 6 compliments from passengers at our Transit Center Gathering on April 21<sup>st</sup>. A full account with responses/recommendations will be presented at a future board meeting. The President of the CMC Foundation, Chuck Uyeda, stopped by to support us and thank MBTA for the TAG money.

#### **EMPLOYEES**

✓ Conducted interviews and fulfilled the Office Manager position. Michal Brock will be coming to us from Sunline and has lived in Yucca Valley for many years. Her first day is scheduled to be Monday, May 2.

#### **GRANTS & FUNDING**

✓ We submitted a competitive 5339 grant application in hopes of having solar panels installed at the Joshua Tree facility before our fleet goes all-electric.

#### SERVICE UPDATES

✓ TSA withdrew the face mask requirement for all public transportation on April 18, 2022.

# Bus agency appoints new leader

JOSHUA TREE — The Morongo Basin Transit Authority's board of directors unanimously appointed Cheri Holsclaw as general manager on March 24, noting she'is the first woman to hold the job since 1995.

Holsclaw will oversee an organization of 40 employees who operate nine routes and five demand-response services. The MBTA maintains a fleet of 24 vehicles, all running on compressed natural gas. "I am honored and ex- for the last 22 years. She

Holsclaw has lived with her husband and two children in Yucca Valley for the last 22 years. She joined the MBTA in November 2007, managing grants and finances.

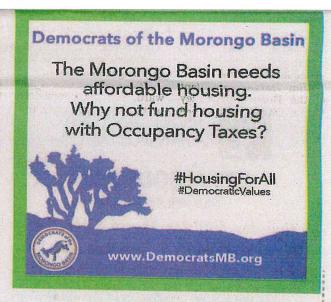

Projects on the horizon include a rebranding, improvements to essential bus stops and transitioning the entire fleet to zero emissions. Holsclaw began the Transportation Reimbursement Escort Program in the Morongo Basin with grant money and envisions MBTA having more community involvement in the years to come.

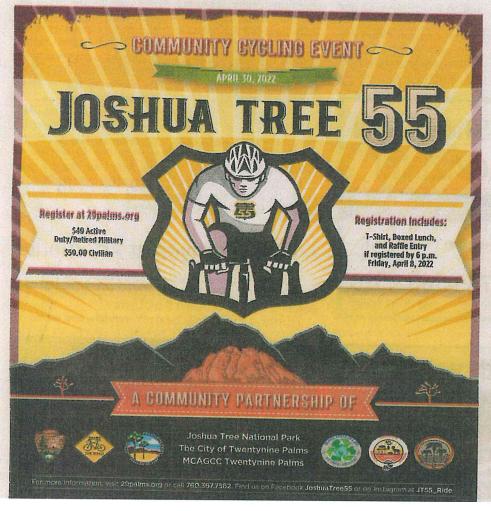

ready. "We have had a little bit more fire activity than we would have anticipated in a last couple of months," she told the residents.

Defensible space inspectors from the state are moving through the area, looking at properties for fire hazards. "They started in Lucerne (Valley) in December and they are making their way through," Hesterly said.

She noted the inspectors are using rental vehicles but do wear Cal Fire uniforms.

"They will be out in full force as much as possible," she said.

RE: Renewal of Pacific Western Bank Credit Line

The MBTA annually renews a line of credit that the agency maintains with Pacific Western Bank in the amount of \$500,000.

The MBTA is required to pay invoices up front and submit these for reimbursement from the variety of grants. These reimbursements take up to eight weeks before MBTA receives the funds applied for. Staff will endeavor to process reimbursements as expeditiously as possible in order to minimize use of the credit line.

RE:

Transportation Reimbursement Escort Program (TREP) Update

TREP is a mileage reimbursement transportation program designed to provide an incentive for volunteer drivers to assist eligible individuals who are unable to access public transportation or drive by providing necessary, escorted transportation.

This program began January 4, 2018 using 5310 grant funding that allows MBTA to provide an additional resource to help fill transportation gaps that exists in the Basin, helping people in accessible parts of MBTA's service area get to town for lifeline services until Dec 31, 2022.

#### TREP KEY POINTS

- TREP Committee reviews applications: Ben Sasnett
- Once forms are verified for eligibility, MBTA allocates:
  - A monthly mileage limit of 300 miles
  - Mileage reimbursement rate of 30 cents per mile
- The Rider is responsible for recruiting their volunteer driver.
- The Rider keeps track of the trips and miles driven to transport them.

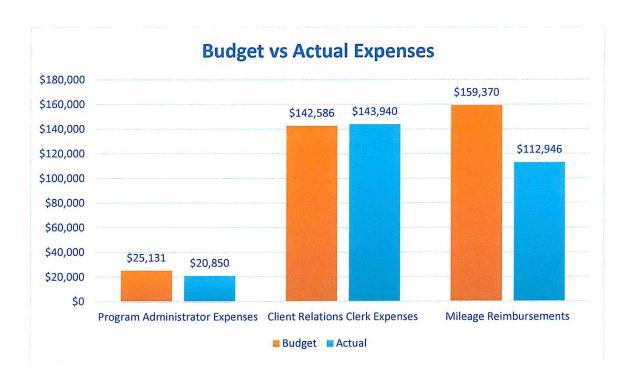

#### PROGRAM TOTAL INFORMATION

We have 164 TREP Clients.

340,057 miles and 25,645 one-way trips have been reimbursed since January 2018.

RE: Approval of FY 2022/23 MBTA Operating and Capital Budgets

Presented for your approval are the fully-funded FY 2022/23 final Operating, Capital & Taxicab Budgets for the Morongo Basin Transit Authority (MBTA). This budget is also sustained with a 3-year forecast with a moderate 5% cost of living increase each year.

The draft budget presented to the Board on March 24, 2022 was circulated to the member agencies.

Two changes were made from the draft version to this final version bringing the overall budget from a 6.87% increase to 7.88%.

- 1. Line 31, 33 & 35: The addition of a Utility Worker/Safety Coordinator position as recommended by Fleet Maintenance Specialists Inc. after conducting a Maintenance Audit would increase maintenance costs by 1.39%.
- 2. Line 52: Increased Operator Wages by \$4,500 to implement a \$1,000 sign-on bonus for new drivers that already possess a Class B license, passenger endorsement, air brakes endorsement and complete their six- months introductory period. In addition, there would be a \$500 employee referral bonus for employees that refer a new driver to us that meets the same criteria. These incentives would end December 31, 2022.

RE: FY 2022/23 Draft MBTA Operating & Capital Budgets

Staff proposes a fully-funded budget for Fiscal Year 2022/23. Summary of factors used in developing the FY 2022/23 Operating Budget are as follows:

#### Revenues

- Passenger Fares (\$230,000) is a conservative estimate; an increase of 15% from FY22.
- Federal 5311 funding (\$568,530) is apportioned on an annual basis to non-urban areas based on the size of the rural population.
- Other Funds (\$41,278) include miscellaneous revenue such as CNG sales, interest income, etc.
- Measure I funds (\$156,500) is a half-cent sales tax collected throughout San Bernardino County for transportation improvements for service to the senior and disabled.
- AB 2766 (\$40,000) is an ongoing fixed apportionment. AB 2766 is a bill that authorized a \$6 motor vehicle registration fee surcharge to provide funds to local jurisdictions that assist in the reduction of mobile source emissions (such as funding of transit operations).
- LTF (\$6,248,481) is budgeted to cover operating expenses. LTF comes from .25% of sales tax generated within the County. The Transportation Development Act (TDA) provides the Local Transportation Fund (LTF), which is a major source of funding for public transportation. These funds are for the development and support of public transportation needs that exist in the basin and are allocated to the area of each county based on taxable sales and fare revenue.

Per SBCTA, any LTF operating revenue that exceeds our operating expenses must go towards vehicles and zero-emission infrastructure before we are eligible for CMAQ funds.

- Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) was allocated to support the transit industry during the COVID-19 public health emergency. SBCTA's Board of Directors allocated \$1,682,942 in CRRSAA funds to MBTA. These funds may be used for Operating Expenses and may be expended over three years. CRRSAA funds are not shown in this budget as they have not yet been received by MBTA.
- Clean Energy will begin selling our Low Carbon Fuel Standards (LCFS) and Renewable Natural Gas (RNG) credits and monetizing the resulting credits but they are not shown in this budget as

we do not have an estimated timeline or an anticipated amount.

• Staff will continue to seek and apply for additional revenues and funding opportunities as they become available.

Expenses are 6.87% higher than last Fiscal Year.

MBTA has historically based the cost of living increases on the December Consumer Pricing Index (CPI) report. The increased cost of consumables as noted in the CPI as of December 2021 for San Bernardino was 7.9% and can be reflected throughout the operating expenses.

Administrative Expenses show a 2.1% decrease.

- Wages (*Lines 8-11*)
  - o Line 8 increases by 9.99% whereas line 14 decreases by 23.28%. This reflects the wage listed in the General Manager's contract pending Board approval with the General Manager electing to receive 50% of the cost of the HMO premium as taxable compensation.
  - The last merit step, step 6, will be increased to 5% to be consistent with all other steps instead of the current 4%.
  - o Managers & Office staff will receive 7.9% COLA.
  - o Lines 9 & 10 are decreased due to new personnel beginning at step 1.
- Retirement (*Line 15*): The General Manager contract no longer pays the employee portion of CalPERS.
- Outside Services (*Line 17*): 18% decrease is because there is room to cut costs.
- Professional Fees (*Line 18*): Estimating a 10% increase in legal costs to update the Bylaws.
- Leases/Rents/Software (*Line 19*): 75% decrease is due to purchasing our copier so large leasing fees will no longer apply.
- Utilities (*Line 20*): In addition to adding recycling services, utility costs have increased.
- Printing & Reproduction (*Line 24*): Rebranding MBTA will result in additional fees such as new stationery, business cards, brochures, etc.
- Interest Expense (*Line 26*): There are enough funds in our Procurement account to loan MBTA money without resulting in interest expenses, resulting in removing this line item from the budget.

Maintenance Expenses show a 4.83% decrease.

- Wages (*Lines 28-31*):
  - o The last merit step, step 6, will be increased to 5% to be consistent with all other steps instead of the current 4%.
  - o Maintenance staff will receive 7.9% COLA.
- Retirement (*Line 34*): Increased wages result in higher CalPERS contributions.
- *Lines 36-47*: Cutting costs where possible.

Operations Expenses show an 11.54% increase.

- Wages (*Lines 49-52*):
  - o The last merit step, Step 6, will be increased to 5% to be consistent with all other steps instead of the current 4%.
  - o Operations Manager (Line 49): 7.9% COLA.
  - o Safety & Training Supervisor (*Line 50*): Slight decrease due to new personnel but with a wage adjustment starting step 1 at \$23.25/hr.
  - Operator Wages (Line 51): 16% Wage adjustment.
  - O Dispatch Wages (*Line 52*): .50¢ more per hour than driver steps for their additional responsibilities and adaptability to also drive when necessary.
- Payroll Taxes (*Line 53*): Increased wages result in additional payroll taxes.
- Retirement (*Line 55*): This budget includes the Unfunded Liability MBTA must pay each year and therefore increases by 49.30%.
- Uniforms (*Line 60*): Rebranding will result in needing to replace all uniforms to covey our new name and logo.
- Deferred Comp Match (*Line 67*): Increased employee participation and new General Manager contract.

The FY 2022/23 Capital budget is included in lines 70-78 which total \$3,125,413. This includes the following:

- STAF (\$191,870): \$40,000 in Operations Support covers everything from replacement computers to large annual software costs. \$25,000 in Engine Overhauls reimburses MBTA for bus repairs that extend the service life. \$100,000 in Facilities consists of facility updates like repairing the Shop floor. \$26,870 in Bus Stop Improvements is to purchase and install PV stops where needed.
- SGR (\$136,943): Partial funding to improve the bus stop at Hwy 62 & Star Dune with a \$14,364 match in LTF.
- LTF (\$2,593,465): \$1,079,970 replaces revenue vehicles according to our Short Range Transit Plan. \$650,000 is the estimate we received to replace our CNG compressor. \$50,000 in Facilities may include asphalting the 29 Yard, where we have a shed, CNG station and park a few buses. \$500,000 will include bus wraps, bus stop signs, etc necessary with rebranding MBTA. \$299,132 is allocated for Zero Emissions infrastructure required to meet the mandate.
- LCTOP (\$203,135): \$24,060 is the remaining necessary to purchase our first Zero Emission Vehicle and chargers. \$179,075 is to construct and install a bus stop at El Paseo & Mesquite Springs Road in 29.

Additional funding from competitive grants will continue to be sought after and will be added to the budget as agency is awarded during the fiscal year.

TREP Budget (Lines 79-83)

TREP program is funded by a 5310 Caltrans grant to administer the program. This is a volunteer driver mileage reimbursement program and is designed to help fill transportation gaps that exist in the Basin and helping people in inaccessible parts of MBTA's service area to get to town for lifeline services. Revenue-\$114,526 / Expenses-\$114,526

Procurement Budget (Lines 84-87)

MBTA's Procurement Program is an arrangement with the California Association for Coordinated Transportation (CalACT) wherein access to MBTA's vehicle contracts and bus specifications is granted to the association's membership for a procurement fee shared equally between the agency and CalACT.

This year we are conservatively projecting \$225,000 in additional income from the program. Due to delivery delays from supply chain issues, we anticipate approximately \$150,000 in unpaid accrued revenues from Municipalities unfulfilled orders in addition to line 84.

- Allocation of \$50,000 to the Transit Assistance Grant (TAG) program to be approved by the Board. The TAG program is designed to assist local agencies and non-profits in the Basin with the implementation of transportation programs that improve access to or augment MBTA services.
- \$145,665 to cover expenses that may be occurred for the administration of the procurement program including the Procurement Director's wages.

Taxi Budget (Lines 88-90)

MBTA regulates taxi activities. Due to fewer cabs and companies in operations, MBTA will see a decrease in revenue. MBTA estimates a revenue income of only \$5,820 with Expenses in the amount of \$11,200. MBTA has a reserve from revenue generated in previous years to cover the deficit.
